## Latest Release - selling fast!

We promised that The Lakes would just keep getting better, and we've delivered. The Lakes features a beautiful freshwater lake just perfect for kayaking, paddleboarding and many other water-based activities.

Alongside the lake, we've recently opened our Shopping Village featuring a range of cuisine options, a relaxing cafe and bar, plus the convenience of a local Four Square due to open this April! We'll soon be moving down there too, so watch out for our new Sales Pavilion within the Village community.

Life doesn't get much better for children, families and active lifestyleers either! Playgrounds aplenty including the newest addition conveniently located opposite the Shopping Village (this one features a very popular flying fox). For lifestyle living at its best, come and see us at The Lakes. We'd love to say 'welcome to the neighbourhood'!
