

The Best Address in Tauranga!

The Lakes Shopping Village featuring internationally inspired cafes & restaurants plus a Four Square now open.

The Lakes Four Square - NOW OPEN!

We promised that The Lakes would just keep getting better, and we've delivered. The Lakes features a beautiful freshwater lake just perfect for kayaking, paddleboarding and many other activities.

Alongside the lake, we've recently opened our Shopping Village featuring a range of cuisine options, a relaxing cafe and bar, plus the convenience of a local Four Square now open! We've also moved our Sales & Information Centre down there too, so make sure you pop in and say hello.

Life doesn't get much better for children, families and active lifestyleers either! Playgrounds aplenty including the newest addition conveniently located opposite the Shopping Village (this one features a very popular flying fox). For lifestyle living at its best, come and see us at The Lakes. We'd love to say 'welcome to the neighbourhood'!
