

# It's all out at The LAKES

## Orienteering Short Course

Thanks for taking on The Lakes Orienteering Challenge short course. It's easy to get started.

Simply follow the map and as you get to each numbered point, look for the answer in the area around you.

When you find the answer, draw a line to connect the picture to the numbered point. When you come back with a completed form, we'll give you a treat to say 'well done'.
