Orienteering Long Course

Thanks for taking on The Lakes Orienteering Challenge long course. It's easy to get started.

Simply follow the map and as you get to each numbered point, look for the answer in the area around you.

When you find the answer, write it below, and when you come back with a completed form we'll give you a treat to say 'well done'.

CRACK THE CODE INSTRUCTIONS

At each numbered point, look for a letter on the board and take note of it on the answer sheet next to the number, e.g. 1=B.

Once you have all the letters, match them to the numbers at the bottom of the sheet to 'crack the code'.
